The 'Complexity oriented Planning, Monitoring and Evaluation (PM&E)' seminar is being jointly organised by HIVA, PSO, VECO and VVOB as part of the DPRN process 'Planning, Monitoring and Evaluation in complex social situations' (<http://pme.global-connections.nl>). The aim of the Development Policy Review Network (DPRN) is to stimulate informed debate and discussion of issues related to the formulation and implementation of development policies and to create opportunities to promote open exchange and dialogue between scientists, policymakers, development practitioners and the business sector in the Netherlands and Flanders. For more information see www.DPRN.nl and www.global-connections.nl.
